BUY TOKENS. STEP-BY-STEP GUIDE

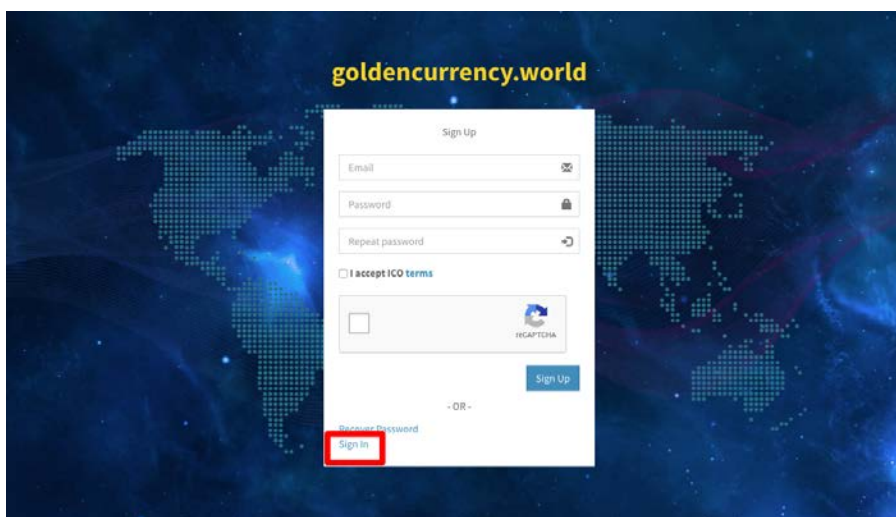

1 STEP

Go to your wallet at <https://goldencurrency.world/login/invest> , or just press LOGIN at the top menu or BUY TOKENS button of Golden Currency website as shown below.

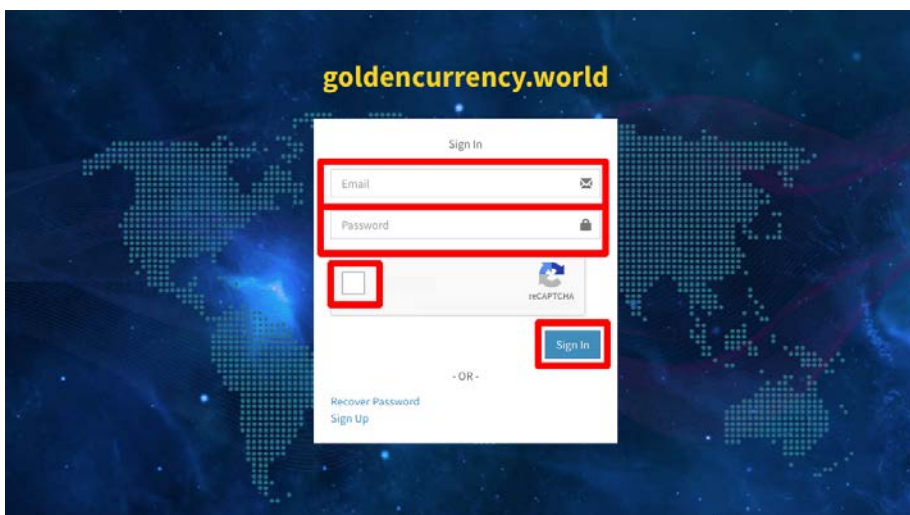

2 STEP

Sign Up if you are not registered or press Sign In if you are already registered.

Sign In if you are registered with your Login (which is your email address) and Password.

3 STEP

The Investment window will be open. Or just choose anytime “Invest” in your left menu, and get the following window:

Choose the payment Method (BTC, ETH, LTC, DASH or USD (PAYPAL/VISA/MASTERCARD)).

Choose the amount that you want to contribute (left window).

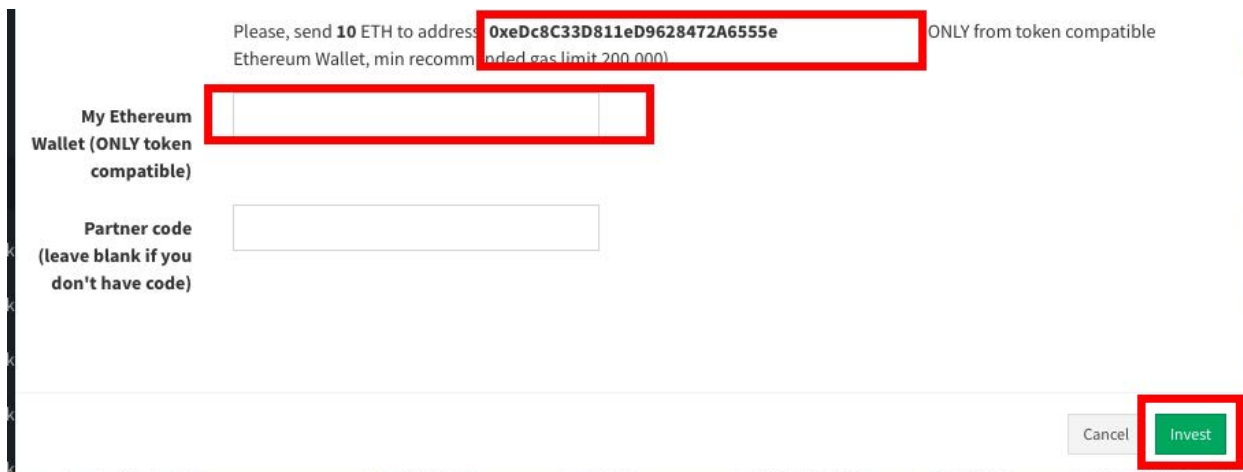

The number of tokens that you will get will be shown in the window to the right.

Click «I accept ICO terms» and Next button.

4 STEP

Make a payment to the address provided. It is smart contract address in case it is Ethereum payment and other cryptocurrency wallet in case of other forms of payment.

Put in your Ethereum wallet address, ERC20 tokens compatible, on which Golden Currency PGCT tokens will be transferred, and click Invest button.

Please, send 10 ETH to address: **0xeDc8C33D811eD9628472A6555e** ONLY from token compatible
Ethereum Wallet, min recommended gas limit 200,000

My Ethereum Wallet (ONLY token compatible)

Partner code (leave blank if you don't have code)

5 STEP

In case you made a payment by Ethereum you will automatically receive PGCT tokens to your wallet by smart-contract.

In case you used other payment methods in 24 hours after the payment the status of payment in your Golden Currency wallet will be changed to «Done» and after that you can update information and find our tokens in your Ethereum wallet.

Please, if needed, use the following information in Ethereum wallet in order the tokens will be shown:

TOKEN ADDRESS: 0x8a822d790d6a2fc21902c7d9736941ab6a9b0f6d

TOKEN SYMBOL: PGCT

DECIMALS: 18

THANK YOU FOR PARTICIPATION IN GOLDEN CURRENCY PROJECT!
